J2 BUILDING CONSULTANTS, INC.

# We Are Building Doctors™

## WHO IS J2?

We are a team of engineers, architects, designers, project managers, inspectors and administrators who will guide your repair project to make sure it gets done on time and within budget.

Founded in 2007, J2 has served over 1,100 different multifamily communities and commercial owners, which means our services have impacted the lives of tens of thousands of unit owners.

## WHAT WE DO

- Assess health of buildings with visual or invasive inspections.
- Prepare scope of repair with design documents for pricing and permits
- Assist with permit applications
- Obtain bids and assist with contract preparation
- Answer contractor repair questions during construction
- Observe and document the repairs
- Review change order requests
- Assess final project for quality and assemble warranty paperwork
